(2) The Director had pointed out that addl. Rs 1000/- would be required for putting fencing the Bar board. The Multy is not prepared to meet this cost although the Mul. Council agree to bear the maintenance charges. Point for consideration is whether any fencing is necessary at all immediately and whether in case it is to be put up Govt. may sanction a grant of Rs 1000. for the purpose. I personally think that the fencing question may be over till next year and a grant made at the next year's Budget.

1st Minute of Dewan

51) Fencing is may be necessary. It may not be possible for Govt to spend Rs 1000 for this purpose. If Mr. Chandrasekhara Iyer can not increase his grant by this amount the estimate may be reduced to Rs 5000 including fencing.

Dear Sir,

In reply to your D.O. No.E of the 19th instant, I have to state as follows:-

As desired in D.O. No. D.1853-G.G. 130-30-1 dated 13-8-1930 a plan for laying out a park in the neighbourhood of the Mahila Seva Samaj Bangalore City at the cost of Rs.5000, the contribution promised by Dewan Bhadur K.S. Chendrasakhara Iyer, Retired Chief Judge, was sent along with letter No. G.R. No.5-2 dated 17th November 1930. In letter No.E. 614/G.G. 13-30-6 dated 13th March 1931, the General Secretary to the Government stated that the idea of Dewan Bhadur K.S.Chendrasekhra Iyer was to fence some area between the Mahila Seva Samaj and and the Uttaradi Mutt and to lay out a Park for women and children, the park being named after the late Mrs.Parvathi Ammal, and requested the Director of Horticulture to prepare, in consultation with the City Municipality, a plan and estimate for the same at a cost not exceeding 5000/- rupees. A plan for the separate was then prepared by the Director of Horticulture and submitted to the Dewan who directed that, as agreed by Mr.Chendrasekhara Iyer, a portion of the Boulevard itself (along the Fort Centre Road) should be laid out for the sum of Rs.5000/- The Director of Horticulture then sent you the tracing showing the area of the Boulevard that might be laid out along with letters No.722 dated 8th May 1931.

Finally as desired by the General Secretary, I met him in his office with the file and the plans and explained the whole situation and left the two plans with him on the 12th instant. He said that he would obtain the final orders of the Dewan and communicate the same to this department.

Dear Sir,

With reference to your D.O. letter No. Es 131/G.G. 13-30 dated July7 1931 about the plans for laying out part of the Boulevard in front of the Mahila Seva Samaj, Bangalore, I submitted the plans to the Dewan who directed that the details of the works may be modified and the whole of the boulevard on both sides of the Centre Avenue be laid out. I have therefore completed the plans and made an estimate bringing the cost within Rs.5,000/- as directed.

The Boulevard will be laid out in eight plots each having a green hedge around it with standard trees at intervals and the centre of the plot being plain grass with a few flower-beds. The Dewan, Mr.Chendrasekh ara Iyer also have approved the plans and I am therefore submitting the same with an estimate for favour of obtairing sanction of Government and to get the consent of the Municipality for the layout of the plots.

I must mention that, while the hedge I am proposing to put is not usually attacked by the cattle and, with proper watch by the mali in charge, there will not be much danger to the flower-beds either; but it would be desirable to have a wire fencing with an opening or two put to each plot. This would cost another Rs.1,000/- and it is for Government to decide whether they would sanction this amount or recommend to the Municipality to erect the railing.

Yours sincerely,

Dear Sir Mirza Ismail,

I have much pleasure in handing you the enclosed cheque for Five Thousand Rupees, being my promised contribution for the public Park or Boulevard, which His Highness' Government have been so gracious as to permit to be associated with the name of my wife Shrimati Parvatichandrasekhara.

None knows better than I do how largely the materialisation of the idea in question is due to your personal interest and encouragement. And I am well aware, even if I did not have your own assurance on the point, that the satisfactory undertaking and carrying through of the scheme, both as a work of civic improvement and as a befitting memorial of an honoured life of service to others, must appeal to your sympathies even more closely than to myself.

I wish I were in a position to make the donation somewhat larger. But, as you may perhaps be not unaware, I have had to provide in recent years for various gifts and endowments for objects in which my wife and I have been interested; and I find that my resources cannot bear a greater strain for the particular purpose.

I have, though the courtesy of Mr. Krumbiegel, seen the plan recently prepared by him. The estimate of cost seems to appreciate a somewhat disproportionate amount (more than two-fifths of the total) to mere "earth-filling," -- a necessary item no doubt, but one which might possibly be left to the ordinary Municipal agency and organisation to carry out. Apart from this, I note that the present plan is confined to a portion only of the original scheme for a Boulevard in this part of the city. That scheme (if I am not mistaken) had been designed to commence from near the City Institute and the Vokkaligar Sangha, and past the Theosophical Lodge, the Chatram, and the Jain Hostel. The completion of the full scheme as above will make the Boulevard a real "beauty spot": and I venture to hope that under your personal auspices it may be found possible to realise it

in due course.

Trusting you had a pleasant and useful time at Delhi,

I remain,

Yours sincerely,

My dear Mr. Chandrasekhara Aiyar,

Many thanks for your kind letter of the 17th March, enclosing a cheque for Rs 5,000 as your contribution for the formation of a park along Krishnarajendra Road.

As I have said to you once before, it is very good of you to pay such a handsome donation for this purpose. It will be my duty to see that you feel amply rewarded by your generosity and that this memorial to your late lamented wife will be worthy of her, and a source of constant pleasure and satisfaction to yourself.

Thanking you once again,

The Director of Horticulture in Mysore,
Bangalore.

In inviting your reference to this Office letter No. 3302/ G.G. 13-30-14 dated the 19th February 1932 re the Boulevard near Mahila Seva Samaja, Bangalore, I am directed to forward herewith a copy of letter dated the 17th March 1932 from Rajadharmapravina Dewan Bahadur K.S. Chandrasekhara Iyer to the Dewan and to state that there is much force in the suggestion that the estimate of cost on account of mere earth-work seems somewhat disproportionate and that this item of work might possibly be left to the ordinary Municipal agency and organisation to ~~xxxxx~~ carryout. I am to request you therefore to revise the estimate suitably after consulting the Municipality and forward the plan and estimate early.

I am to request that the matter may kindly be treated as urgent.

I have the honor to be,

Sir,

Your most obedient servant,
